COMPANY OVERVIEW

Patriot Materials Group LLC (PMG) is a North Carolina-based, SBA-certified Service-Disabled Veteran-Owned Small Business providing focused product sourcing, wholesale distribution, and order fulfillment for government agencies and prime contractors. PMG coordinates qualified supply channels, quotations, compliance documents, and direct-to-destination delivery.

CORE DISTRIBUTION CAPABILITIES

- Firm-quote response and PO fulfillment for defined product requirements.
- Qualified-channel sourcing for standard, urgent, and hard-to-find items.
- Direct shipment to agencies, facilities, laboratories, prime contractors, and project sites.
- SDS, origin, TAA/BAA, certification, and delivery documents as required.
- Buyer-approved alternates and equivalent products.

THREE FOCUSED SUPPLY LANES

One buyer base. One direct-ship model. One accountable SDVOSB.

MEDICAL & LAB

LEAD

- Diagnostic, exam-room and patient-care supplies
- Lab instruments, equipment and specialized consumables
- PPE, infection control, first-aid and wound care
- Specialized cleaning chemistries and documentation

MRO & SAFETY

- Hand/power tools, abrasives, cutting and welding supplies
- PPE, lockout/tagout, spill control and safety products
- Fasteners, hardware, shop and maintenance consumables
- Recurring and project-specific MRO requirements

FACILITY / JANITORIAL

- Cleaning chemicals, paper products, liners and dispensers
- Floor care, restroom, sanitation and breakroom products
- Recurring consumables and multi-site replenishment
- Facility-maintenance items to buyer specifications

LEADERSHIP EXPERIENCE

President Chris Lewis-Jones (LJ), a U.S. Marine Corps veteran, brings 10+ years of distribution, sourcing, supplier development, quoting, product management, and multi-state leadership. His experience includes regional responsibility supporting a \$141M revenue portfolio and 28 product managers.

WHY PMG
